CORE SERVICES

TN & H1B Visa

We support both TN and H1B visas, guiding nurses through every step, ensuring compliance and a successful transition into the U.S. healthcare system.

NCLEX & State Requirements

We assist with foreign transcript evaluation, NCLEX preparation through Kaplan University, and registration with the State Board of Nursing.

Arrival & Settlement Support

We manage travel coordination, airport pickup, housing recommendations, and help with essentials like bank accounts, SSN, and orientation to the local community.

Continuing Education & Mentorship

We provide ongoing coaching, in-service training, and emotional support — helping international nurses adapt to their workplace and thrive in a new culture.
